# Polled SHORTHORNS

## *World Wide Demand*

Never in the seven year history of the Polled Shorthorn Congress has such a grand group of sons and daughters, grandsons and granddaughters of International and state fair champions and famous breed sires been gathered together in one sale as will be offered at the 1947 Polled Shorthorn Congress to be held in Lexington, Kentucky on June 6th and 7th, at the Keeneland Race Track.

The breed's best bulls and noted sires, and the most royal of Polled Shorthorn families are represented. The range of selection has been made wide to suit every herd, every farm and every plantation need. There are plenty of prospective prize winners for adding to show strings, as well as breed builders for herd foundation or replacement purposes.

### AN UNSURPASSED OFFERING

The individuality of the 30 bulls and 75 females has never been surpassed at any consignment sale of Polled Shorthorns held in America, and buyers will have the opportunity of dipping into the top ends of the famous Polled Shorthorn herds of this country.

It is the first time that a sale of Polled Shorthorns has been held at such a famous track as Keeneland, one the most beautiful in the country. We invite you to be with us for both days of unexcelled showing and selling in the heart of America's famous blue grass country. Nature will be at her best for an event long to be remembered.

Dr. A. D. Weber, Head of the Animal Husbandry Division of the Kansas State College, Manhattan, Kansas, has been chosen to place the awards. His sterling reputation as a judge has been evidenced at all the major beef cattle shows of the nation. The breed's good friends, Jack Halsey of Des Moines, Iowa and Hamilton James of Newton, Ill., will cry the sale, and we'll look for you at the Phoenix Hotel which will be our headquarters.

Buyers looking for the ideal type beef animal, 100 per cent modern, 100 per cent able to give full and quick return on cattle investment, cannot afford to overlook the Polled Shorthorns offered in this 1947 Congress. Wire or mail orders will be handled to your complete satisfaction.

## *Schedule of Events*

9:30 A. M., Friday, June 6th — SHOW OF CATTLE

Judge—Prof. A. D. Weber

7:00 P. M., Friday, June 6th—BANQUET—Phoenix Hotel

9:30 A. M., Saturday, June 7th—SALE OF POLLED SHORTHORNS.

### **HOTEL RESERVATIONS —**

It is necessary that all who plan to attend this NATIONAL POLLED SHORTHORN CONGRESS SHOW AND SALE make whatever hotel reservations are required as far in advance as possible. The PHOENIX HOTEL, in downtown Lexington, Kentucky, has been established as headquarters, and the management will make every effort to hold rooms, so please mention the National Polled Shorthorn Congress when requesting accommodations.

### **LOCATION —**

The Show and Sale will be held at the Keeneland Race Track, located about six miles west of downtown Lexington. Taxi service will be available.

### **LUNCH —**

For the convenience of our guests lunch will be served at the grounds on both days.

### **BANQUET —**

Every Polled Shorthorn breeder and enthusiast should plan to attend the banquet, to be held at 7:00 P. M., Friday, June 6th, at the Phoenix Hotel. A very interesting program has been arranged and an excellent dinner will be served. Tickets will be available from any Association representative.

## *Information for the Buyer*

**FREE FREIGHT OFFER**—The American Polled Shorthorn Society will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this Congress Sale to one destination, up to a maximum of \$200.00. To qualify for this freight subsidy the final destination must be 300 miles or more away from Lexington, Ky. Why not contact other breeders in your locality in an effort to consolidate one shipment?

**MAIL BIDS**—Although no travel restrictions should keep you from missing the 1947 National Polled Shorthorn Congress, there will be some who may not be able to attend but who will want to buy in this sale. We list the following competent men who will be glad to handle buying orders for you. Contact these men at the addresses listed, or they can be reached in Lexington care of the Phoenix Hotel or Keeneland Race Track.

Representing **AMERICAN SHORTHORN BREEDERS' ASSOCIATION**,  
7 Dexter Park Avenue, Chicago 9, Illinois.

Clinton K. Tomson,

Clem Larson, Fieldman,

C. D. Swaffar, Sale Manager,

Dan T. Cox, Fieldman.

Representing **SHORTHORN WORLD**, 16 South Locust St., Aurora, Ill.

Hal Longley

Ed Huff

Representing **CORN BELT DAILIES**, Stock Yards, Chicago 9, Ill.

Wm. Roche.

**AUCTIONEERS**—J. E. Halsey, c/o Wallaces' Farmer, Des Moines, Iowa,  
Hamilton James, Newton, Illinois.

**TERMS**—The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before sale time, and the sale manager and clerk are notified of the arrangement. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

**SHIPPING ARRANGEMENTS**—It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

**INSURANCE**—Coverage can be secured effective at the time of sale.

**GUARANTEE**—All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association.

**LIABILITY**—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

**GLEN KNOLLS COURTIER 2d**—His sire won his class at the International in 1938 and 1939 and was Grand Champion at the 1941 Indiana State Fair. His dam produced a class winner in the 1944 Congress Sale and is now a top member of the Cherry Hill herd. We sold this bull in the International Sale to Mr. Hubert Oakes of Laura, Ill. He objected to the bull because he was a twin even though to another bull. We took him back and are offering him again.

**KING OF THE VANITIES 5th**—Was 1st in class at the 1946 Illinois, Iowa and Nebraska State Fairs; has been used a great deal in our herd. His dam is a show cow that stood second at the International, one of our greatest producing cows and a half sister to Queen of Hearts and Vanity Queen 5th—both International grand champion females.

# Growing in Popularity Year by Year

Here is dramatic evidence of the steady growth of Polled Shorthorn popularity in the last six years. Transfers for pure-bred Polled Shorthorns in 1946 showed an increase of 158 per cent over 1940 and to date in 1947 are 31 per cent ahead of the same period last year. Registrations of calves in 1946 showed an increase of 103 per cent over 1940, and to date in 1947 are 42 per cent ahead of the same period last year. Memberships in 1946 were 200 per cent greater than in 1940,

and to date are 68 per cent ahead of the corresponding period last year.

We invite you to follow the leaders. Polled Shorthorns at the 1947 Congress offer an unequalled opportunity for profitable investment as well as an avenue to the utmost satisfaction in personal contacts. Help us meet the world-wide demand for good Polled Shorthorns.

**GLEN KNOLLS BARON**—Although registered as a roan, this bull is referred to as red by all who have seen him. His dam, a granddaughter of Calrossie Mercury, is one of the typiest cows on the farm. She is from the same Lavender cow as the \$1,150.00 heifer we sold in the 1946 International Sale. Sired by the 100 per cent dehorner, Forest Glen Colonel, whose get have been consistently outstanding, we feel that this bull is truly a great stock bull prospect. If you want a thick, wide, low-down bull, with a good head and lots of smoothness, then this bull will do the job.

**OAKWOOD GRAND COMMAND**—Looks like a stock bull and sire. Study his depth of body, his short coupling, his level tail setting, his thickness, his bone and his excellent smooth head. Oakwood Lieut. Commander went to South Africa at \$4,000 to head the herd of King Bros. but he left us some great calves at Oakwood. His dam is one of our most consistent producers of top calves, a rich dark roan and a heavy milker. Here is new blood for Polled Shorthorn herds and a calf to lend confidence to its worth.

# World Wide Demand . . . .

That Polled Shorthorns enjoy world-wide demand is no myth. The most recent shipment from America sailed in May 1947, to one of the largest cattle herds in Australia, that belonging to Douglas G. Munro of Gundibri, Merriwa, New South Wales. At left is Claralan Sultana 3d x2292216, a roan 1944 female by Rosario x, bred by Clair R. Touby & Son, Mansfield, Ohio, purchased from the herd of C. B. Teegardin & Sons, Ashville, Ohio. At right is Lynnwood Lavender 5th x2288242, a red 1944 female by Superb Command x from the herd of Lynnwood Farm, Carmel, Ind., and her 10 days old calf by Lynnwood Major x. Two other females from Cedar Hills Farms, Chillicothe, Ill., were included in the shipment. Both were 1944 heifers by Collynie Count x. One, Mina of Cedar Hills 3d x2237874 was a red, and the other, Winifred of Cedar Hills 2d x2237877, was a roan. Polled Shorthorn popularity in Australia is partially due to their superior ability to take the rigor of long hauls with minimum loss of weight—a real dollar and cents factor in Australian beef production.

**OAKWOOD LUXURY**—Has the head of a sire and his heritage would confirm his promise. His dam, a solid red granddaughter of the 1936 International Grand Champion, Oakwood Emperor, is a cow of depth and thickness who milks unusually well. The second dam is a granddaughter of both Oakwood Regent, 1934 International Grand Champion, and Collynie Sensation, sire of the 1940 International Grand Champion, Oakwood Commander. The sons of the \$5,700 Gosshall Ximenes are proving great sires and we feel that this bull will sire calves of approved pattern.

**COMMANDER TYPE 2d** is sired by the noted Field Commander. He is light roan with a dark head and legs. You will like his well filled quarters, heavy bone, short legs, depth of body and compactness throughout, along with a perfectly smooth polled head.

# Supreme at America's Strongest Show

One of the most popular International Grand Champion Polled Shorthorn bulls was this perfectly balanced, evenly fleshed, ideal beef type bull which won the grand champion purple at the 1946 Chicago International, the strongest exhibit of Polled Shorthorns ever seen in America, according to judge Prof. D. J. Kays of Ohio State University, Columbus. Master Stamp x2277345, a roan 1944 son of Collinsby Matador,

out of Lustre 42d, was one of two head entered by his breeder A. B. McFarland of Hoopeston, Ill. It was the first time he had been exhibited and he walked off with the supreme honors in the stiffest bull competition ever seen at this show.

It is always a rare opportunity, but the ultimate aim of every leading breeder, to add the blood of an International grand champion to his herd. You will have the very rare opportunity in this Congress to get the blood of this popular grand champion through females which are carrying his service. No Congress ever had a more brilliant array of females bred to famous sires.

**LITTLEBROOK XIMENES**—A dark, rich, solid red son of Gosshall Ximenes. The calf really looks like a prospective herd sire. He is smooth-headed, short-legged, thick, level and has an excellent sappy hide. His dam is a heavy milker, a granddaughter of Oakwood Emperor, 1936 International grand champion, and Claytoun Coronet, sire of the 1941 International champion female. This Violet family has produced some of the breed's best, and his much desired type combined with his rich inheritance should make one consider him seriously.

**MILLBROOK CROWN CORONET**—Everybody likes this youngster, sired by one of the best sons of Mardale's Crown we have ever had. Look at this individual and his pedigree.

PERFECT SEAL—His sire was reserve champion at the Omaha Sale in 1946 and was purchased by Fred Blomstrom for use in their noted herd. The good Augusta family from which he comes produced a bull that sold to Canada in the Congress at Lincoln for \$1,000 and also our top daughter of Collynie Front Rank selling in the International Sale to Cherry Hill Farm.

# Tops in the 1946 International Sale

fall show season. He was consigned by A. G. Schubert of Hamilton, Ohio, and sold for \$4,000 to Lynnwood Farms, Carmel, Ind.

main source of livelihood.

The outstanding consignment sale in modern Polled Shorthorn history was that held during the 1946 Chicago International Livestock Show. The high selling bull was Glen Knolls Monarch x2292493, a 1944 roan son of Collynie Monarch x out of Miss Perfection. He had been reserve champion at the Illinois and Ohio State Fairs and grand champion at the Indiana State Fair during the

The top selling female of the International sale, 1946, was C H Royal Nonpareil x2356648, a 1946 red daughter of Edellyn Royal Leader 2d out of Forest Glen Nonpareil 10th x. She was consigned by H. L. Straus of Reisterstown, Md., and sold for \$2,500 to Lynnwood Farms. Investing in a good workable herd of Polled Shorthorns has brought security, success, prestige, and contentment to those who have made it their

**MILLBROOK PILOT**—A good clean-headed herd sire prospect—with scale and type to suit. An individual of real pedigree and quality combination.

**ALAUNA AUGUSTUS** is another one of those all red, good-headed, low-down, deep, thick and mellow sons of the great breeding bull, Alauna Lord Collynie. He is very much like his half-brother, Alauna Collynie, the Grand Champion at the 1946 Polled Congress and selling for the top price of all Congress Champions, \$2,500.00 to W. J. Bennett, Winona, Wash. The dam of this calf is an all red, thick-fleshed, good milking cow with an especially good feminine head. She is sired by a son of the great breeding bull, Proud Archer. This calf ran in pasture with his dam until he was past four months of age, so he is in just fine condition to go ahead for his new owner, either in the show ring or breeding herd.

CLAYTOUN MYSTIC PRINCE is out of an exceptionally well bred red cow that has produced five calves, all of which have been good. A study of his pedigree will show cattle well-known for their breeding quality. This bull is of the right type, blocky, heavy loined and deep quartered. His head is just right.

# Champion of America's Strongest Female Show

The Polled Shorthorn female exhibit at the 1946 Chicago International was strong clear down to the last placing in every class. The Grand Champion was this smooth, deep, perfectly proportioned red heifer, Cherry Hill Spicy x2279825, a 1945 daughter of Collynie Compact x out of Bellevue Spicy 2d x. She was bred and exhibited by H. L. Straus of Reisterstown, Md. She helped her sire win the coveted champion Get-of-Sire award, and helped her exhibitor

sweep through the tops in all the group classes including the ten best head. She sold to Hi-Ho Farms, Phoenix, Md., for \$3,500—the record priced Polled Shorthorn female at auction.

There will be more like her in type and quality and more of similar bloodlines in this 1947 Congress, available to you at auction prices. Breeders from all over the country buy their herd improvers at these official national events year after year. We invite you to do the same. Polled Shorthorn adaptability to all cattle-producing conditions, their large flow of milk, quick profit return, natural hornlessness and good dispositions, coupled with strong demand for all surplus stock, makes them the nation's No. 1 farm investment.

MAXWALTON GLOSTER 111th is a sappy red cow from the same dam as the great Maxwalton Walkaway that Mick Boyle sold as a six-year-old for \$2,000, and is a sister to the top heifer sold for \$2,025 in the 1946 Ohio State Sale. She was purchased by Mrs. Abram Hewitt in 1944 and was generally considered as one of the best cows she had. Her September red bull calf is being retained in our herd for development. Bred Dec. 2, 1946 to Maxwalton Grand Measure x2225451.

# Polled Shorthorn Quality

## IS NEVER AN ACCIDENT

1.

11.

But the Result of  
HIGH INTENTION and SINCERE EFFORT

Polled Shorthorns have consistently gained in world favor because they possess the characteristics of adaptability and efficiency. Coupled with ideal type, they have all the advantages of other beef breeds and none of the disadvantages. They can give you all the superior money-making qualities of natural greater weight and early maturity of the Shorthorn, plus the money and time saving attributes of the naturally hornless head. They are the modern, ideal producers of prime beef. They can turn grass and roughage into cash income faster than any beef breed, and are easier to handle because of their quiet, easy-feeding dispositions.

The bulls shown here have supplied some of the master strokes in building the increasing present day popularity of Polled Shorthorns. Their excellent type tells you instantly something of the far-sighted vision which has gone into making this 1947 Polled Shorthorn Congress the greatest assemblage of any consignment sale of Polled Shorthorns ever held in America.

Included in the offering are sons and daughters of the bulls pictured here, along with females carrying calves to their service. You will immediately recognize International Grand Champions and Reserve Grand Champions, Champions at State Fairs, sires of champions or high-selling animals in state and national events—all possessing the quality and conformation much sought for in modern Polled Shorthorns.

We are confident that this consignment is made up of animals which will continue to point the way to the

PROFITABLE AND ECONOMICALLY  
SOUND FUTURE AHEAD FOR  
POLLED SHORTHORNS.

**MISTY'S MERCURY LADY**—Is an exceptionally fine, deep, roan, polled granddaughter of Edellyn Martial Mercury, a son of the great Calrossie Mercury. Her sire is the great breeding bull, Oakwood Esquire, whose daughters have always been received with high approval at the Ohio State Polled sales. This combination of Calrossie Mercury, Oakwood Merry King and Estelle blood should make her a desirable addition to the best herds in the country. Sells open, but with breeding privilege to either of the Dr. Parke Smith herd sires.

# Grand Champion and High Selling Bull at '46 Congress

This grand champion bull at the 1946 Polled Shorthorn Congress was also the top selling bull in the Congress sale and went at \$2,500 to J. W. Bennett & Sons of Winona, Wash., owner of one of the largest herds of Polled Shorthorns in the United States. He is Alauna Collynie x2264028, a red, calved in 1944, sired by Alauna Lord Collynie, out of Augusta 24th, and was consigned by Girton & Fennern of Vinton, Iowa.

Investing in a good purebred Polled Shorthorn bull is one of the best ways of getting into the cattle business. Nothing puts either a purebred or commercial herd into top rank as quickly as an outstanding herd sire. The bulls in this 1947 Congress, no matter what you pay for them, will return their full purchase price the first year in better quality calves. Regardless of your herd needs you will find just the right bull at this Congress.

# Grand Champion Female at 1946 Congress

Lynnwood Augusta C 3d x2300476 was the grand champion female at the 1946 Polled Shorthorn Congress held in Lincoln, Nebr., Feb. 1-2. She was consigned by Lynnwood Farm, Carmel, Ind., a roan, calved in 1944, and sired by Fascinator x, out of Lady Augusta 22d. She was sold to Roy Hopper, assistant superintendent of schools at Fredonia, N. Y., who started a Polled Shorthorn herd on his 700-acre farm in the fall of 1945.

We invite you to inspect the 75 magnificent females offered in the 1947 Congress with a definite view of investing in some superior foundation stock. Whether you are looking for a cow in calf to a good bull as an initial investment or for herd replacement, or for young heifers to round out your 1947 show string, you will find a full range of selection at Lexington on June 6 and 7. Bids by mail or wire will be capably handled at no commission cost if you are not able to attend.

**ROCKMOOR LAVENDER LADY 2d**—A very nice roan heifer by a son of the 1939 International grand champion, Oakwood Merry King, out of the 1942 Congress champion female. She comes from the very good Lavender family out of a dam by the good breeding bull, Maxwalton Full Measure x. Sells open.

# High Selling Female at the '46 Congress

The highest selling female at the 1946 Polled Shorthorn Congress was this beautiful senior yearling heifer, Cherry Hill Clara x2227694, a 1943 roan daughter of Oakwood None Such and Maxwalton Clara 20th, consigned by H. L. Straus of Reisterstown, Md., and sold for \$1,400 to R. M. Giesy, Jr. of Lancaster, Ohio.

You will find more good females like her in conformation and quality, as well as in breed-

ing, in this year's Congress. There is no more solid, sure investment than a herd of Polled Shorthorns. At the Congress you can get the outlook and promise of the success you can achieve in your own Polled Shorthorn business, and will find the right kind with which to start. Polled Shorthorns are pleasant to work with, return maximum profits on your investment, and are truly America's own breed.

# First Polled Shorthorns Shipped by Air

The first shipment of Polled Shorthorns known to have been made by air were also an export shipment to Central America. They left by DC 4 transport from Minneapolis, Minn., the afternoon of March 20, 1947, and arrived in Guatemala City, Central America, the next morning in a little less than 12 hours time including clearance at New Orleans. They were consigned to Julio Bianchi of the National Agricultural Department of Guatemala who was a passenger on the trip. The shipment included three Polled Shorthorn bulls from the Bert Hanson herd at Vernon Center, Minn., two from the J. F. Potter herd at Springfield, Minn., and four Shorthorn bulls from the Pederson Brothers herd at Comfrey, Minn. All were junior yearlings.

The Hanson bulls were by Dale's Crown x and the Potter bulls by Royal Dale x and Collynie Choice x. Bert Hanson, national secretary-treasurer of the famous Flying Farmers' Association, went along with the shipment as "bull stewardess."

No other breed has enjoyed greater popularity among stockmen in foreign countries as evidenced by the export trade than Polled Shorthorns. In the last few years regardless of war and shipping uncertainties, exportations have been made to 10 foreign countries.
